

Fall 2019

MUSIC NOTES

*4th and 5th grades have begun to work on their music for the **Christmas Concert**. It will be on **December 10** in the HS gym. More information to follow.

*4th grade recorders are working on the first 3 Karate Recorder Belts. Next class we will be learning 2 new notes as we begin new skills.

*5th grade band has started. Calendars will be out for each month to keep track of lesson days.

Primary grades are learning the musical elements of loud/soft, fast/slow, and 4 kinds of voices we use.

Intermediate grades are working on accompanying music with drum circle rhythms and xylophones as we explore our cultural roots of music.

Art News

The year is off to a GRRREAT start in the art room! We have been very busy working on projects for our fundraiser. We will be working with the Art to Remember company again this year.

The students will be done with their masterpieces by the end of September and they will be shipped out to the company. On or around **October 21st** the students will receive a **personalized brochure** of the products you may buy. All of the proceeds will go directly back into enhancing the Elementary Art curriculum here at Fannett-Metal. Online ordering will also be available. **Orders and payments have a tentative due date of October 28th.**

Joining the *FM Elem Art* class on **Remind** is a great way to ensure you will be promptly updated of any date changes.

We have been able to purchase some great new tools for the Art room with money from the Art to Remember fundraiser in the past, such as, light boxes, drawing mannequins, a mat cutter and a new set of storage drawers, just to name a few!

Thank you in advance for supporting your children and the arts!!!

PE News

Physical Education class, here at Fannett-Metal elementary, has been off to a great start! I have enjoyed getting to know the students more and welcoming any new students. I will be using Remind again this year as a form of communication to parents so that'll be the best way to get in touch with me. You will need to sign up or re-sign up again, even if you already did last year. (@fmelempe)

Fall is right around the corner and it is my favorite season! I encourage you all to get outside and be active. Ride a bike, go for a hike, rake the leaves, walk through a corn maze, complete a nature scavenger hunt or whatever interests you and your child. Being active with others provides time to socialize and build relationships.

Physical Education—"education through the physical". It aims to develop students' physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and healthy lifestyle.

*Please remind students to wear their sneakers

on gym day!!

Mrs. Glenny

Library

Welcome back to the 2019-2020 school year! Here is what's happening in the Fannett-Metal Elementary Library:

The Scholastic Book Fair is coming to our school! You are invited to join your child and help him/her find the books that he/she will enjoy reading. The fall book fair will take place in the elementary library **Friday, September 27, 2019, through Friday, October 4, 2019**. Your child will have the opportunity to shop the book fair during his/her weekly library class. Additionally, you may join your child each day of the book fair during after-school shopping hours, **3:15 p.m. to 4:00 p.m.**

I hope to see you and your family at the book fair!
