Board Member Suggestion/Discussion

Jason Goshorn said Early to College classes started yesterday and 11th grade students didn't know about it or how to log on. Only notification was on Facebook. Chad McClure said the same thing happened with the college nights last school year that students didn't know about it and only found out from Facebook. Dr. Will thanked the board for bringing this to her attention and she would look into it.

Walter Hoffmann said something should be done about the Superintendent Evaluation form. Some of the questions there is no way that board members would know the answer. Bonnie Cornelious said most items on the evaluation can't be changed because it comes from the Department of Education. Dr. Will said this is something the Policy and Personnel Committee can look into.

Moved by Walter Hoffmann and seconded by Jason Goshorn to adjourn at 7:18 p.m. Roll call vote – all ayes.
