**Thanks for your support this year!
Have a great summer!**

This Month's Focus in Math

This month we will be wrapping up 2nd grade curriculum, focusing on Fractions. We will be:

- Identifying and drawing equal shares
- Identifying different ways to show equal parts

Lake Tobias Wildlife Park

Summer Packets

This year The Fannett-Metal Elementary School PTO is sponsoring a field trip to Lake Tobias Wildlife Reserve on May 25. There will be no rain date for this trip.

be going to the petting zoo or the gift shop. No money is needed this day. Your child will need to have a packed lunch for this trip.

Students will leave from the elementary school in the morning and arrive back to school before dismissal at the end of the day.

On the day of the field trip your child will need to wear comfortable sneakers. We will be outside most of the day, so sun block may be necessary to prevent sunburns. Permission slips will be sent home closer to the time of the trip.

Summer packets are available if you would like. These packets contain reading and math materials that will help your child retain the information learned in 2nd grade this year. If you would like a summer packet and haven't already requested one, please let us know.
