- PSSA Dates: April 22-24, April 29-30, May 1-2

Academics

Math: We are learning about data and graphs. Next, we will be learning place value and numbers to 120.

Reading: We are very proud of the reading progress our students have made. Please continue to read daily with your child so they will be ready for second grade. After reading a story, your child can practice retelling the story. He/she should remember the character/s (who), the setting (where), and the events in order.

Thank you for your help!

Donations:

We are in need of tissues. If you could help us out it would be greatly appreciated!

Thank You,

Mrs. Elbertson
Mrs. Hall

Happy Valentine's Day!
