## ACADEMICS:

**READING:** We will be starting the Developmental Reading Assessments (DRAs) soon. Your child can practice reading and **retelling** the story.

**MATH:** We will be learning about measuring length and time, and money. We will continue to practice the addition and subtraction facts so we are ready for Second Grade.

**SUMMER PACKETS:** Summer Packets are available to help your child maintain the skills he/she has learned during the school year. If you would like your child to receive a one, please send a note requesting it.

**Reminder:** Spring time is here and there are many more activities to be involved in, but please help your child remember to do his/her homework. We want your child to be prepared for, and be successful in the next school year.

The PTO purchased a t-shirt for your child for **Track and Field Day** and for our **field trip**. These will be coming home the week prior to the scheduled events. ***Please have your child wear the t-shirt, provided by the PTO, sneakers, and sunscreen for Track and Field Day and for our field trip.***

Thank you,  
Mrs. Bain and Mrs. Hall
