

FANNETT-METAL SCHOOL DISTRICT

Medication Policy

In order to ensure that your child's safety when taking medications during school hours, please adhere to the following:

1. **All medications must be given to the nurse upon arrival at school.**
2. **Medications will only be administered during school hours and when absolutely necessary or specified by a health care provider.** (Example: If a medication needs to be given three times a day it can be taken before school, after school, and at bedtime. Twice daily medications can be administered before school and after school.)
3. **Please send only the amount of medication to be administered at school.**
4. **All medication MUST be sent to the school in a properly labeled bottle or container with your child's name, name of medication and dosage, and the time it is to be given.** Medications that are not properly labeled will not be administered. Pharmacies will provide a duplicate bottle if you request.
5. **All medication (over the counter or prescription) must be accompanied by physician's order and parent/ guardian consent indicating the student, medication dose and time to be given at school.**

A new form will need to be completed each time a medication is brought to school apart from ongoing medications.

If you have any questions concerning the above, please contact the school nurse.
