Early to College, information nights in April

Shippensburg will likely pick up College Fair following this year, as Penn State is closing

BizTown

New this year, 5th and 6th grade, brought to the school. Bi-yearly.
5th grade student representative expressed excitement for this new opportunity.

Discussions raised:

- Career Fair is new this year; will it be open to the public?
 - Not open to the public this year, but will consider this in the future.
- Career Fair could be open to the public BUT SPRING is best and needs to be scheduled in advance, per Penn State Rep.
 - Would consider later in the day, earlier in the afternoon, for overlap.
- Try to bring colleges/FFA/penn state ag extension into Elem and MS
- Utilize Schoology reminders and all-call
 - Invites to career fairs at other districts.
