Administrative Reports

Dr. Jim Hogue gave a shout out to Bonnie Zeis for helping him so much over the summer. They organized the filing system and filing room. It is so much better, and it couldn't have happened without Bonnie coming in once or twice a week over to the summer to get it done. The files are

much more organized now in classification folders with dividers instead of just manila folders. Dr. Hogue also said the life skills class had a great first community-based instruction trip to Peckin Thyme Farms in Mercersburg. The kids really enjoyed the jobs given to them to care for the animals and begin the routine of taking care of them.

Mrs. Stephanie Shoemaker gave kudos to all the kids who participated in the Path Valley Picnic Pageant and congratulated the Pageant Winners Little Miss: Addison Wright and Jr. Princess: Arabella Jackson. She also said the beginning of the year math and reading assessments are almost complete and interventions based on need will begin next week. Students will receive Title I support and interventions from our reading or math specialists during morning reading and math instruction and during the afternoon intervention block. Mrs. Shoemaker said she will provide a more detailed report next month when all the numbers are in. Registration is also open for Literacy Under the Lights, which is scheduled for September 19, 2025, from 7:00-8:30 p.m. This is a Title I Family Engagement event. Student athletes will read stories and share crafts with the students. Students receive free books in addition to snacks during the event. Mrs. Shoemaker will also review our Federal Programs programming with parents/guardians and gather their input.

Dr. Tara Will introduced two new teachers, Mrs. Hope Fleece, Family Consumer Science/Library Teacher and Lea Youngman, K-12 Art Teacher, to the Board. Dr. Will gave an update on the Franklin Learning Center (FLC) and the possibility of Shippensburg Area School District joining the consortium. The new IU Leadership will attempt to restructure the FLC, so consortium members have priority placement and pay lower fees per seat. In October the Fannett-Metal Board will vote to allow Shippensburg to join. This Friday is a Professional Development Day for staff. The IU will be presenting on Universal Design for Learning (UDL), teachers will have time to review curriculum, breakout sessions include CPI training (de-escalation techniques for students), data analysis and collaborative planning. There is a Pre-K Committee Meeting scheduled for tomorrow to begin looking at our goals and outcomes. The LIU is once again sponsoring a Superintendents Symposium. There is no charge for the training. The dates are Wednesday, September 24, 2025 – Friday, September 26, 2025. Superintendents from York, Adams and Franklin County are invited to attend. John Tanner is the guest speaker, and he will focus on Benefits Based Accountability. Laura Jones recently completed her school nurse certification and was contacted by Slippery Rock to do a PR interview on how SLU is impacting the region's health care workforce. They want to interview recent graduates whose career was impacted by the degree they earned at SLU. The interview, video and pictures of her own children for the segment will be October 2, 2025.

Administrative Reports

Dr. Will introduced Dr. Chris Marchese, Executive Director of the Lincoln Intermediate Unit. Dr. Marchese gave a brief presentation of services available through the Intermediate Unit.

Dr. Jim Hogue said IEP and 504 meetings to kick off the year have been going well. The goal is the growth of learning of our kids so that is what the IEP and the meetings circle around. Special Education staff, Counseling and Nursing staff are amazing this year. Wanting to grow and learn and do what is good for students, they are continuing to work towards proficiency and efficacy in

student learning, growth and care. Dr. Hogue gave a shout out to Robin Whitsel, our CPI (Crisis Prevention) trainer for agreeing to do our CPI training – one group was on September 12, 2025, and another group on October 13, 2025.

Mr. Todd Best said fall sports are rapidly ending. It appears that two of our teams will make playoffs with a good chance of each hosting a 1st round playoff game. Students have returned from Wallops Island. Thank you to all the chaperones who made this trip possible and a special thank you to Mrs. Burdge and Mr. Mellott. Pastor Ryan Henderson has resumed meeting with students during lunch time. He previously did this before COVID.

Mrs. Stephanie Shoemaker said we hosted Literacy Under the Lights on Friday, September 19, 2025, featuring Varsity Club members reading stories, sharing crafts and playing comprehensive games with elementary students. Eighty children attended the event and had a great time! Special thanks to Varsity Club members and their advisors as well as elementary staff for assisting with the event. Sixty-five youth soccer players were recognized at a high school soccer event on October 1, 2025, receiving a treat from the Athletic Department and Booster Club. A big thank you to all adult volunteers who help make the elementary soccer program a huge success. Mrs. Shoemaker also gave an update on Title I and stating in the 24-25 school year 106 students out of 178 qualified for Title I services, which is 60% of our students. For 25-26 school year 107 out of 179 students qualified, again 60% of our students. In 24-25 there were 24 students in kindergarten and 19 qualified. For 25-26 there are 27 students in kindergarten and 26 qualified making it difficult with only one Title I Reading Specialist. Mrs. Shoemaker said Fire Prevention Assemblies and Rotation Stations were held on October 10, 2025. Metal Township and Fannett-Metal Fire Companies provided fire prevention information, activities, coloring books and Junior Firefighter hats. The fire personnel also assisted with our monthly fire drill with a blocked exit. The PTO sponsored the Scholastic Book Fair, September 15-19, 2025, with all students receiving a free book and having an opportunity to purchase other books/products. They also hosted two family nights. The Book Fair profited \$2,800 which will be used to purchase Christmas books for all students as well as adding new books to the elementary library.

Dr. Tara Will said the Shippensburg Area School District will vote to join the Franklin Learning Center Consortium at the end of the month. Once approved the districts will vote to allow them to join with final approval during the FLC Board Meeting. Dr. Will also gave a goal update as well as information regarding the water pump burning up as well as the backup pump and lead levels in the water.

Administrative Reports

Dr. James Hogue gave a shout out to Tom Otis for always being a team player and always wanting what is best for kids. We are in discussion with the IU about how to potentially save money with our Related Services costs. He also communicated with another school district regarding related service costs to see what options we can potentially have in sharing service personnel. Dr. Hogue also said the CBI trips are going great – he received a call from the Aprontree Personal Care Home last week just to tell him how much the residents enjoy having the life skills class come there to play games and spend time with them. They're talking about helping to put on a Thanksgiving meal before break.

Mr. Todd Best said soccer playoffs have ended with girls' varsity losing in the quarterfinals and boys' varsity in the semifinals. Basketball season is just around the corner, and we are hopeful to have four teams. Two varsity and two junior high teams. Allegany Community College of Maryland was here today to complete registration for spring courses.

Mrs. Stephanie Shoemaker said they are recognizing students for their achievements from the first marking period. Students on the honor roll and completing all homework assignments received a NO HOMEWORK coupon. Those students earning 90% or better citizenship grade earned a movie and popcorn. Mrs. Shoemaker also said we have been hosting parent/grandparent lunches on Mondays in October and November, welcoming a different grade level each week.

Dr. Tara Will said the high school will be holding a Veteran's Day assembly on Friday, November 7, 2025, at 1:30 p.m. A huge shout out to Tina Neil for planning this assembly. Megan Detweiler-King, FM Class of 1997 will be the guest speaker. To date, 24 veterans have pre-registered. Songs by the band and chorus will be provided to K-12 students along with a solo by Mrs. Fleece. Dr. Will said she will be meeting with PennDOT representatives and both Metal and Fannett Township supervisors on Wednesday - she meets with them every year at this time to review snow protocol and to share contact information. A snow protocol letter will then be posted to the district website in December. Dr. Will thanked Stacy Coffman and Amanda Guyer for their time as a board member. Dr. Will also stated that she will not be at the November 25, 2025, Work Session.

Administrative Reports

Mr. Todd Best said tonight's opening winter season games have been postponed. Boys' varsity will open the winter season now on Thursday night at Fairfield. Staff will receive their proctoring training for the Keystone Winter wave of testing during our December staff meeting and it's starting to look a lot like Christmas in the high school lobby. Thank you to Eagle Evergreen for donating Christmas trees to both buildings. Mr. Best also said the new scoreboards are up and running and training operators is a work in progress.

Daniel Simpson thanked FOFMA for the scoreboards.

Dr. Tara Will welcomed the new Board Members, Tanya Parson and Lauren McCartney. Dr. Will said with the passing of the state budget, several school code revisions were included. These are significant to the daily operations of our school.

1. Expanded teacher certification – Pre-K – 6 and 7-12 and specialists Pre-K-12.
2. New Safe 2 Say Something reporting – reports must be closed within 72 hours.
3. Reading – Science of Reading movement – Structured Literacy which required mandated teacher training. Now schools will have to do the following at the beginning of 2027-2028 school year:
 - a. Adopt a curriculum on “evidence-based reading instruction”
 - b. Screen every student three times a year – K-3 using PDE approved universal screener
 - c. Develop and implement a “reading intervention plan” for students who score “at risk” and identify them as having a reading deficiency.
 - d. Ensure that the student remains identified as having a reading deficiency until they score above the acceptable threshold.
4. Cyber Charter Schools - Cyber schools must now ensure attendance during synchronous instruction by requiring students to appear continuously on the screen. For asynchronous – requires students pass PDE approved weekly benchmark assessments.
5. PCCD - \$100,000 to each district. More information forthcoming.
6. Weapons notification to parents.
7. Change to Sunshine law regarding agendas.

Dr. Will also introduced Olivia Lear, PTO President.

Mrs. Lear gave the Board an update on what the PTO is doing: The PTO recently held a Book Fair and gave every student book. They raised enough at the book fair to give every student a holiday book for Christmas and were able to purchase new books for the library. The PTO is currently trying to raise \$39,000 for their playground project with fundraisers with Texas Roadhouse, FBI and Path Valley Outreach. The PTO was able to give each teacher money for classroom supplies, they hold a school store for students, Holiday Shop, Spirit Wear, and yearbook. They also give each student a T-shirt for field day and a pizza party. In the future they plan to have a dance and movie day, game night and two more book fairs.

Jordan Hurrell was the only member absent. Also, present were Dr. Tara Will, Superintendent; Daniel Simpson, Business Manager; Dr. James Hogue, Director of Special Education and Pupil Services; Stephanie Shoemaker, Elementary Principal; Elliott Sulcove, Solicitor and Sandra Bloom, Board Secretary. The visitors' present were Kelley Zimmerman, Paige Wright and Lori Crider.

OPENING BUSINESS

Pledge of Allegiance

The meeting opened at 6:00 p.m. with the School Board Members and audience standing and reciting the Pledge of Allegiance.

Oath of Office for Newly Elected Board Member

Elliott Sulcove administered the oath of office to Lauren McCartney

Positive Comments

Cathy Adams said it was nice to see two of our students in the Mullet Contest at the Pennsylvania Farm Show with one student winning first place in the 13-18 age group.

Tina McGee said she was sitting in the student parking lot one morning and kudos to Greg Best for patrolling and checking who it was.

Tara Will said our school nurse received a donation of water, Kleenex and bags of sweatpants from four different churches in the Pleasant Hall/Orrstown area of water, Kleenex and bags of sweatpants.

Jason Goshorn said his son helped deliver meals with the Path Valley Outreach who served over 500 meals. This is something positive for our community.

Stephanie Shoemaker gave a shout out to Laura Jones for collecting over 3,000 lip balms to donate to Hershey Medical Center.

Chad McClure said both of his daughters are enjoying substituting at the elementary.

Cafeteria Report – Roll call vote – all ayes. Motion carried.

Activity Report – Roll call vote – all ayes. Motion carried.

Public Comment – (3-minute limit per person – 21-minute total public comment)

Paige Wright spoke to the Board about her frustrations and concerns regarding the water issues. Her daughter came home with her water bottle filled from a water fountain. Due to the water issues this concerned her until she found the letter on the website. She is not the only parent with concerns and feels the website is not broad enough due to the lack of transparency and communication. There should be other ways to notify parents, website, letters, etc.

Administrative Reports

Dr. James Hogue gave a shout out to Michelle Moore for always being positive, even if things aren't going super well. He appreciates that about her. Our school counselors utilize the PATH program to promote life skills competencies for instructional purposes. Recently they learned that they reprogrammed the system, and they can no longer access it. They are looking into a system called Wayfinder and may be bringing it to the board for approval in February. Dr. Hogue also said there is a business in York that has a simulated town (BizTown) where schools and organizations can attend and experience being a worker or consumer to discuss the importance of rights and responsibilities, money management skills and basic business practices, etc. For the first time, they are doing a simulated town at no cost and we, FM, will be their very first traveling simulated venture. They will be here on May 8, 2026, and 5th and 6th graders will participate. It is totally free, and the 5th grade teachers and our 6th grade social studies teachers will get trained on 11 pre-lessons to complete with their students between now and May 8, 2026.

Dr. Will gave Mr. Todd Best's report. ASVAB testing was completed, and the winter wave of Keystone testing is in progress. Both testing sessions were completed online, this will be a Keystone requirement starting this spring.

Mrs. Stephanie Shoemaker said they will be offering another Girls on the Run session with third graders this spring. The after-school program's curriculum builds confidence, connection, character, and contribution in young girls through lessons that incorporate physical activities. Mrs. Coble and Mrs. Wingerd will be coaches again this year. K-2 cheerleaders have been practicing last week and will cheer at tonight's basketball game and perform their routine at halftime. Also, due to updated requirements, School Safety and Security meetings must be held quarterly. Our existing Safety Committee has been expanded to include both workplace safety and school security.

Dr. Tara Will introduced Kelley Zimmerman, our new fifth grade teacher, to the Board. Dr. Will said the Franklin County Career and Technology Center has invited Board members to participate in a tour of the facility on Friday, February 13, 2026. If anyone is interested, please let her know as the culinary arts students will be providing lunch. Dr Will said they met with CES Engineering to create specs for the elementary roof project. We are hoping to apply for the Public-School Facility Grant which would be a 75/25 split. The minimum is \$500,000 and maximum of \$5 million. She also gave an update on the sinks in the boy's locker room at the

high school. Dr. Will also mentioned meeting with Annette Searfoss, Pre-K but must wait for funding information if we can do a partnership with First Start or possibly open our own pre-k classroom. She has also been meeting with teachers to discuss retention of teachers.

DISCUSSION

Jason Goshorn talked about protection for the new score boards.

Administrative Reports

Dr. James Hogue gave a shoutout to Teresa Barnish for being the district nurse for both the secondary and elementary buildings during the time that Nurse Laura was out due to medical issues. She really stepped up without complaining or grumbling and is glad we have her. Special Ed teachers are in the process of deciding who qualifies for Extended School Year.

Usually not too many qualify for ESY. Dr. Hogue also gave an update on BizTown which is coming on May 8, 2026, for the fifth and sixth graders. A BizTown representative came out this past Tuesday to talk with three teachers who will be involved with the 11 lessons around business development, economics, etc. It seems like an amazing 11 lesson curriculum. We're establishing a schedule for various things and need 18 volunteers for the actual activity on May 8, 2026, if anyone is interested.

Dr. Tara Will gave the principals reports since both principals were not available – the Path Valley Historical Society is planning an assembly in April for the secondary building and Dr. Will reviewed the elementary Acadience data – at the beginning of the year 61% of the students were basic or below basic and 39% were proficient or advanced. The middle of the year is 45% basic or below basic and 55% are proficient or advanced. Students are making growth in reading. Dr. Will said prom is April 25, 2026, at Centrebrook Farm and the theme this year is Alice in Wonderland. The Journalism Club is having a carnation sale to help spread kindness throughout our school. Carnations are \$1.00 apiece. Each flower is given to recognize someone who has made a difference in your life – a friend, teacher, coach or family member or anyone who deserves some appreciation. Friday is an Act 80 day, and Franklin County Adult Probation will be providing training on drug trends and identification. Lastly, the Junior Class is planning for their senior trip and will be presenting at the April Board meeting. They are looking at a trip to Virginia Beach and one question they posed was the possibility of going on the trip during the summer.

Administrative Reports

Dr. James Hogue gave a shout out to the Secondary Life Skills classroom – he received a call from Mrs. Brenda Reed from the Aprontree Personal Care Home where the students visit two or three times per month and do various activities with them. The call was on speaker phone as she wanted him to hear from the residents about how much they love and appreciate the students coming. He thought it would be a good thing for the life skills students to go there this year as a service activity but was not expecting how thankful and happy the residents are for them coming – one resident said that they are the only people who come to visit her. Dr. Hogue also discussed the Chapter 339 Guidance Plan that is on the agenda for approval. Pennsylvania requires districts to submit a guidance plan every three years stating what the counselors roles and responsibilities are.

Mr. Todd Best said that in the month of March we are required to conduct a severe weather drill along with our monthly fire drill. This will happen later this month in conjunction with the elementary building. Mr. Best is in the process of working with Racing for Outreach to plan a suicide awareness presentation and Women In Need will be presenting to middle school students on the difference between teasing and harassment and to the high school on ways to stay safe while using technology.

Mrs. Stephanie Shoemaker said there are 21 students registered for kindergarten in the fall so there will be two kindergarten classes. Eight third grade girls are participating in the Girls on the Run after school program on Mondays and Wednesdays for eight weeks and will participate in a 5K run in May. Mrs. Shoemaker and a group of teachers will be traveling to West York School District next week to see Mystery Science in action. This is the science curriculum they are looking at purchasing. She will keep the board posted on their observations. The Science Fair is March 12, 2026, at 6:30 p.m. and K-3 Music In Our School's Month Concert is March 23, 2026, at 7:00 p.m.

Dr. Tara Will said the PSSA testing has switched to an online platform for administering. We have conducted two practice tests in preparation for the window that opens in April. The PA Facilities Grant application has been submitted for the elementary roof project in the amount of \$831,731.00. If awarded in full, we will be responsible for 25% of the total - \$207,932.75. She has almost finished completing the Franklin Learning Center's HVAC Energy Conservation Grant in the amount of \$4,168,269. Friday is an Act 80 day for staff and Dr. Will plans to attend the mock interviews at Shippensburg University that morning. Participating in this event has led to us hiring several teachers.

Sandra D. Bloom
Board Secretary

Fannett-Metal School District
Willow Hill, Pennsylvania 17271

The Fannett-Metal School Board held their regular meeting on Tuesday, April 14, 2026, at 6:02 p.m. in the high school library. Members present were Cathy Adams, Shelly Boggs, Chad McClure, Lauren McCartney, Tina McGee and Tanya Parson. Members absent were Jason Goshorn, Jordan Hurrell and Sue Rosenberry. Also, present was Dr. Tara Will, Superintendent; Daniel Simpson, Business Manager; Dr. James Hogue, Director of Special Education and Pupil Services; Todd Best, Middle/High School Principal; Stephanie Shoemaker, Elementary Principal; Elliott Sulcove, Solicitor and Sandra Bloom, Board Secretary. The visitors present were Cole Daniel, Keri Daniel, Tina Neil, Cali Rice, Colton Daniel, Lea Youngman, Tristen Wingerd and Lori Crider.

OPENING BUSINESS

Elliott Sulcove in the absence of the President and Vice President, asked for a motion to appoint one. Moved by Cathy Adams and seconded by Lauren McCartney to appoint Shelly Boggs as President. Voice vote – all ayes.

Shelly Boggs, Acting President called the meeting to order at 6:02 p.m.

Pledge of Allegiance

The meeting opened with the School Board Members and audience reciting the Pledge of Allegiance.

Positive Comments

Cathy Adams mentioned she attended the PTO Bingo on Saturday. It was very well attended and organized. Dr. Will said they made approximately \$8,400. Cathy said she heard an anonymous donor is planning on contributing whatever additional monies needed to purchase the playground equipment.

Dr. Tara Will said we held a Career Day today and approximately 29 vendors were present. She received a lot of compliments on how well the students behaved.

Cole Daniel said Jr. High baseball and softball teams played a game last week against Williamsburg and after the game their bus wouldn't start. Shawn Weaver loaned one of his buses to them so they could get home rather than waiting for the school to send a replacement.

Public Comment – (3-minute limit per person – 21-minute total public comment)

Keri Daniel spoke to the Board about the motion on the agenda to advertise for a volleyball coach. Mrs. Daniel read a statement regarding a family vacation photograph that was sent and misinterpreted. Mrs. Daniel defended her character and accountability and advocated her time spent as a coach and her dedication to her family. Mrs. Daniel hopes the board will make their decision fairly.

Administrative Reports

Dr. James Hogue gave a shout out to our counseling staff for their hard work on the counseling plan and preparing for the PSSA tests. BizTown is coming together, they still need four more volunteers if anyone is interested in joining us on May 8, 2026.

Mrs. Stephanie Shoemaker said for the end of the marking period rewards students receiving all A's and B's and no late assignments received a no homework coupon and for 90% or better citizenship grade received extra recess. PSSA test administrator training was completed, and English Language Arts testing will begin April 21, 2026, and Math and Science testing will be the following week. Teachers have selected Mystery Science as the core science curriculum for K-5 for the upcoming school year to support hands-on, inquiry-based learning aligned to the STEELS standards. If anyone wishes to review the curriculum, please contact her.

Dr. Tara Will gave Mr. Todd Best's report – Fritz Schreffler District 8 Safety Press Officer for PennDOT will be presenting to our high school students on April 17, 2026. With prom and other spring events upon us, she will be covering key topics such as the dangers of distracted and impaired driving, speeding and aggressive driving, seat belt safety and crash statistics, PA Graduated Driver Licensing laws, real-life stories and consequences of unsafe driving and tips for safe driving during high-risk times. The middle school PTCT is partnering with the middle school Student Government to host an after-school dance. The event will be held at Centrebrook Farm, Friday, April 17, 2026, from 5:00 p.m. – 7:00 p.m. The owners, Dale and Angie Hall, have generously offered the use of their facility and Zac and Kristie Hall have donated tables and chairs. Lastly the Bedford County Regional Education Foundation's donor funding will cover the cost of tuition, fees and books for all credits taken during the fall 2026 and spring 2027 semesters by Early to College students residing in the Bedford and Fulton County school districts as well as Claysburg-Kimmel, Spring Cove, Williamsburg and Fannett-Metal School Districts. The funding will cover classes taken at Allegany College of Maryland Bedford County Campus, online or at the high school.

Dr. Will said CES Engineering was on site today to prepare specs for the roof project. The Franklin County Commissioners are sponsoring a municipal grant seminar on Thursday that she plans to attend. Dr. Will also gave an update of a Pre-K classroom – based on emergency cards, there are 16 possible students. Kindergarten currently has 21 – 3 outside placement =18.

.....

DISCUSSION

Lauren McCartney made a statement as a follow up to the question on parents attending elementary field trips. The board understands the parents' concerns about safety on field trips but feel the faculty and staff are sufficient and if there are specific concerns about safety the schools security officer and/or superintendent would be available to go as well.

Administrative Reports

Dr. Jim Hogue gave a shout out to three teachers, Kristy Elbertson, Amy Ridler and Kelley Zimmerman, for doing such a great job with teaching the curriculum part of the Biztown event as the build-up to the actual event this Friday. They have 16 volunteers for Biztown and are looking forward to Friday! They will be holding the last few IEP and 504 meetings for the year in the coming weeks and Keystone exams are starting next week – Mrs. Moore has been doing an awesome job in getting everyone prepared for it.

Mr. Todd Best said they have started the senior exit interviews. The second half of interviews are on Thursday and Keystone testing is just around the corner. On May 13, 2026, Racing for Outreach will be presenting to grades 6-12. Baccalaureate is on May 17, 2026, and this past week the Path Valley Historical Society sponsored an American 250 assembly.

Mrs. Stephanie Shoemaker congratulated our Girls on the Run participants as well as Coach Coble and Coach Wingerd who completed the spring programming with the May 2, 2026, 5Kwalk/run event. It was a great day for students and families. Kudos to teachers and students for their work preparing for the PSSA online assessments and to Dr. Hogue, Mrs. McMath and GDC for leading the charge. Mystery Science will be our new K-5 science curriculum focused on hands-on learning activities aligned to the STEELS standards. There will be a music concert featuring 5th grade band, MS/HS band and chorus on May 18, 2026, at 7:00 p.m. Kindergarten Celebration is May 28, 2026, at 4:00 p.m. and 5th Grade Promotion is May 28, 2026, at 6:00 p.m.

Dr. Tara Will said that several districts in Pennsylvania have received swatting calls this week. The caller is a male who is making threats to arrive at the school with an AR-15. Facilities in Allegheny, Bucks, Chester, Montgomery and Schuylkill Counties have been affected. All incidents have been unfounded but as you can imagine it consumes a great deal of district resources. Dr. Will received notification from the American Heart Association that we were awarded a CPR training kit. She applied for a grant back in December. The goal is to have all students in grades K-12 trained in life saving skills to increase the chance of survival for those experiencing cardiac related incidents. Tomorrow evening is our Athletic Banquet, and the Journalism Club published their newsletter this week. The Journalism Club joined the Drama Club on a field trip last Friday since these clubs included the same students. They visited the Pennsylvania State Police Museum in Hershey, Pennsylvania and then went to Sky Zone in Mechanicsburg. She is glad to have served as a club advisor. It gave her greater appreciation for the hard work that goes into advisor positions.

Administrative Reports

Dr. Will reported that there will be no administrative reports during the summer months, however, she thanked Dr. Hogue for his service and wished him well.

DISCUSSION

Dr. Will discussed kindergarten class sizes and at this time there are 22, however, 3 will be placed outside of the district. 19 of those students will be in-house. She said she hoped there would be a total of 22 but that has not happened. She is requesting a decision be made regarding one vs two kindergarten classes for this upcoming school year before we proceed to hire the Pre-K and Title I teacher. She stated that currently 20 responded to the survey interest for the Pre-K class. It was decided to schedule a special meeting on June 22, 2026, to make final decision.

BOARD COMMITTEE REPORTS

Building and Grounds Committee Report – Chad McClure said that he would like to schedule a building and grounds committee meeting to meet with Kenny North from FOFMA to discuss restroom trailer and the storage for the lights. Dan Simpson reported that bids for the elementary roof project were received and opened Thursday, June 4, 2026. The district received a total of 18 bids for this project. The engineer will be reviewing bids, but the district cannot officially accept bids due to the grant not being awarded yet.
